

**SUMMARY OF PROPOSED AMENDMENT TO UNIVERSITY REGULATION
FSU-4.071 Faculty Practice Plan**

This amendment aligns the FSU Regulation with current activity as allowed by and consistent with activities authorized by BOG 9.017 Faculty Practice Plans. The proposed deleted language excluding delivery of medical services and maintenance of medical facilities was based on initial activities and models of the College of Medicine and is no longer current.

The BOG Regulation acknowledges that actual practice by College of Medicine faculty through is vital:

“Participation in such faculty practice activities by members of the faculty of this State’s colleges of medicine, dentistry, health professions, and veterinary medicine is vital to the educational mission, the maintenance of skills in the treatment and diagnosis of disease, and the maintenance of patient management skills, clinical expertise, and medical judgment, and is a necessary and essential part of their employment as faculty.

The BOG Regulation authorizes such practice activates including delivery of medical services and maintenance of medical facilities for faculty at the College. These are to be managed through Faculty Practice Plans.
