

## **SUMMARY OF PROPOSED UNIVERSITY REGULATION**

### **6C2R-2.007 Use of Campus Facilities.**

The existing Regulation, 6C2R-2.007 Use of Campus Facilities and the overall issues of use of campus facilities, allocation of and priority of space, use and rental by campus and outside entities need significant review. The proposed change makes some basic needed changes to bring the regulation up to date in the interim. Most significantly, the regulation frees the setting of listed facility use rates from fixed schedules which can only be changed by amendment of the regulation. This proposed amendment allows periodic adjustment as approved by the President or designee. There are also some minor technical changes including the correction of several building names and the addition of two additional facilities to the rental list.

The authority for the proposed regulation is as follows: Board of Governors Resolution January 7, 2003; BOG Regulation Procedure July 21, 2005, BOG Regulations 1.001(7) (g), Section 1001.74(6) (b), Florida Statutes.
