

**SUMMARY OF PROPOSED AMENDMENT TO REGULATION FSU-2.024,
TUITION AND FEES; MS-NURSE ANESTHESIA PROGRAM; MD TUITION**

This proposed regulation amendment provides for the specific tuition and fees for a new Master of Science in Nurse Anesthesia program at the Panama City Florida Campus. The new program was authorized by the Board of Trustees on June 27, 2014.

The current per credit hour tuition and fees structure provided in this regulation for a graduate program does not fit this professional program as planned and approved. A lump sum type tuition similar to what is provided for the MD Program is preferred and requested.

The tuition for the program would be \$8475.00 per semester. Other mandatory student fees will also be assessed as a lump sum based on a 12 credit hour load, similar to the MD Program.

Also, a 6% increase in MD degree tuition is proposed, along with the Student Financial Aid tied to it.
