

SUMMARY OF PROPOSED UNIVERSITY REGULATION

6C2R-3.003 Freedom of Expression Rights and Responsibilities, Open Platform Areas

Non-student “individuals” are recognized as coming within the scope of regulation. Also, based on changing use, the open platform area in the middle of Landis Green is eliminated. However, an additional area near Moore Auditorium is added. Therefore, access to high traffic areas on each side of campus is maintained. Terms are updated; “registered” student organization is changed to “recognized” student organization, “Space Reservations” to “Guest Services”. Provision for sale of literature is deleted to conform to Regulation 6C2R-2.0131, concerning posting and distribution of literature.
